

## General PA Meeting

February 25, 2020

- 6:32pm Meeting called to order
- Message from Brooke for everyone to complete their school survey! (Tracked with the DOE as for percentage that responds)
- Changes have been made to Parent Teacher Conference procedures: no sign-in sheets, but still just wait your turn.
- Corrected dates of Brooke's Roundtables, given incorrectly in her email. Room 110. Most likely at 8:15am (said 8am somewhere, but it said 8:15 in Brooke's email). Please bring your concerns about the racial issues at Lab to the Roundtable discussions.
- The practice ACT is March 14th. We still need more proctor coverage for kids requiring extra time.
- Spring Benefit happening March 9th. Online auctions are not taking place this year. It's \$65 if you buy your tickets in advance and \$75 at the door. Can sponsor a teacher for \$65. The list of raffle prizes and auction items are on the sheets on the tables you are sitting at.
- The NYC Marathon team has formed, it is not too late to join!
- We will have a future speaker who will give a presentation of the ACT vs. the SAT test, which will better suit your child.
- Jung Min read Risa's report: We are in good shape with the Direct Appeal, reached just about \$100,000, we've met our goal. We need to raise another \$30,000 from other fundraisers and have raised close to \$11,000 with the marathon.
- The effort of Springtime Seeds of Student Success is off to a good start, teachers are adding to the list.
- There will be an introduction of Nicole Israel and Ms. Rosen at the Roundtables.

### **Presentation:**

Presentation by the JED Foundation (the presentation will be shared on the Lab HS website)
