

Parents' Association 2018/19 Annual Fund

NYC Lab High School provides our students with top-level education but requires more money than the NYC Department of Education allocates. Our Parents' Association fills these gaps to help your child succeed in high school and beyond:

- Information about the PSAT/SAT/ACT, Regents Review, plus support for the Unique College Fair
• Support for Sports, Arts and Theater, Model UN, and a myriad of student-run club programs
• Speaker Series, Banquets, and networking/leadership opportunities for you and your student
• And much more...

In addition, this year NYC Lab high school is celebrating the 25th Anniversary of its first high school class, with PA-supported programs highlighting Diversity and Inclusion and Technology.

Make a gift to Lab HS and protect the programs your student deserves
